Mysore: Social responsibility must become the ultimate goal of any institution – be it a business establishment or any other, said B Muthuraman, vice-chairman of Tata Steel, on Friday.

Speaking at the 18th annual convocation of Sri Dharmasthala Manjunatheshwara Institute for Management Development, Muthuraman called upon the students to prefer companies which give back to society. “This brings in change among companies to serve for the betterment of the society,” he felt.

Speaking on opportunities in India, Muthuraman

said that education and job opportunities are created based on caste. “But at the same time, merit can’t be the answer as it is governed by social circumstances,” he added.

Speaking on the challenges faced by the country, SDMIMD chairman D Veerendra Heggade said that only quality higher education will ensure skilled man power, which in turn helps in nation-building process.

Gold medals were awarded to Natansh Sharma, Arun Shan S, Priya Batra, Neha Maheshwari, Padmini S K and Zatakia Jaykumar I. PG diploma in management was awarded to 165 graduating students on the occasion.
