

'Crystallising thoughts will help in facing competitive world'

Praveen Kamath, General Manager and Global Head - Talent Transformation, Wipro BPO speaks at the workshop for new batch of PGDM students of SDMIMD.

Agrahara: Praveen Kamath, General Manager and Global Head - Talent Transformation, Wipro BPO, Bangalore, spoke to students at a workshop conducted for the new batch of PGDM students for the year 2014-16 on June 21 at SDMIMD campus at Chamundi Hills Road.

Kamath called upon the future managers 'To be the best and not to compromise on principles and compete to be winners'.

He said, "Considering issues in multiple angles and crystallising thoughts will help in facing the competitive world with confidence and develop the ability to

SDM students should get equipped with the basic knowledge of the subject and should learn to present themselves well. Students should be able to convince on how they can make a difference at workplace.
