

## **Budding managers get tips to succeed:**

SDM Institute for Management Development conducted a workshop for a new batch of its PG students in its campus on Chamundi Hills Road on June 21. Praveen Kamath, general manager and global head - talent transformation of Wipro BPO (Bangalore), spoke on 'Crystallize your thoughts'. Kamath called upon aspiring managers to be the best. "Looking at things in multiple angles and crystallizing thoughts will help one face the competitive world, and develop the ability to manage risks," he said, and highlighted the importance of equipping oneself with the basic knowledge of subjects.
