

Seminar on Swami Vivekananda held at SDM-IMD

Mysore, Nov. 17 (KCU&KK)- "The country can see a radical change if the youth advocated the principles and philosophy of Swami Vivekananda," opined Social Activist Chakravarthy Soolibele.

He was speaking at a seminar on Swami Vivekananda organised by Swamy Vivekananda Birth Anniversary Celebration Committee at SDM Institute of Management Development (SDM-IMD) at the foot of Chamundi Hill here yesterday.

Soolibele said that Swami Vivekananda had the power of a super conductor who was also proficient in English. He reiterated that *Sanyasa* should not be referred to as dejection in life and a prelude to death. But was actually a state of mind to accept any challenges in life.

Adichunchanagiri Mutt seer Swami Nirmalanandanathaji, who spoke after inaugurating

Adichunchanagiri Mutt seer is seen inaugurating the seminar at SDM-IMD here yesterday while social activist Chakravarthy Soolibele, Kuvempu University Retd. VC Dr. K. Chidananda Gowda and programme Convenor Shivakumar look on.

the seminar, said that Science should be understood in a religious background to analyse facts better.

He reiterated that any criticism

should have a base with factual information and never impulsive and irrational.

Kuvempu University Retd. Vice-Chancellor Dr. K. Chi-

dananda Gowda also spoke on the occasion. Convenor Shivakumar welcomed.
