

SDM-IMD professor to attend int'l conference

Agrahara: Dr R Jagadeesh, Professor of Operations Management and Quantitative Techniques at Sri Dharmasthala Manjunatheshwara Institute for Management Development (SDM-IMD) has been invited as a special speaker for the international conference on Global Business, Economics, Finance and Social Sciences event. The event is scheduled to be held from Feb 20 to 22, at Bangkok, Thailand.

He will speak on the topic 'Operations strategies for global operations' and will also present a paper titled 'Performance assessment and optimisation

of global supply chains' during the track session.

SDM-IMD is the principal academic partner of this conference. This is a part of a series of international conferences on management and social sciences across the world.
