

Seminar on 'Emerging trends in E-Resource Management'

Seen in the picture are (from left) Sr. Sajitha, Principal, Teresian Degree College; Dr. H. Gayathri, Deputy Director, SDM-IMD; Prof. V.G. Talwar, Reva University Vice-Chancellor; Prof. Shalini R. Urs, Director, International School of Information Management, University of Mysore; Sr. Rose, Superior, Teresian Convent and Dr. Harinarayana, Associate Professor, Department of Library and Information Science.

Mysore, Sept. 27 (VNS&HST)- Reva University Vice-Chancellor Prof. V.G. Talwar called upon students for maximum utilisation of e-resources available.

He was speaking after inaugurating two-day UGC sponsored National Seminar on 'Emerging trends in E-Resource Management and Services in College Libraries,' jointly organised by

Teresian College and SDM-IMD at Teresian College in city this morning.

Prof. Talwar said that compared to 29 percent of e-Resource accessed by foreign students, India has recorded only 9 percent.

Prof. V.K. Jose, Officiating Principal, Teresian Degree College, was present.
