PGDM

Dharmasthala

The word 'Dharma' traditionally means religion, ritual, duty, righteousness, and alms. It also implies justice, truthfulness, freedom from fear, faith, solace, fulfillment and peace.

Dharmasthala is the perfect embodiment of the word “Dharma” for it displays every shade of meaning with which this word is inspired from.

- ★ To those that come for worship, Dharmasthala represents religious tolerance wherein caste, creed and faith of pilgrims are no bars.
- ★ To those that come for justice at Dharmasthala without any legal formality or argument Shri Heggade dispenses justice, acting in the tradition of his ancestral role as the Heggade and as representative of the presiding deity.
- ★ To those that come in need, Dharmasthala is an Oasis, where succour, solace and hope abound in the serenity of the temple and in the free hostelleries that provide food and shelter.
- ★ And, to those that come in curiosity, Dharmasthala is a miracle of paradoxes. Here different faiths co-exist in harmony just as traditions make room for experimental services. High or low, rich or poor, devout or atheist, at Dharmasthala all are equal.

Having expanded the meaning of Dharma to encompass the advancement of society at large, Dharmasthala has played an active role in bettering the lives of communities far and wide. Its initiatives have aimed at renewing the faith and hope within, so that people may be helped to help themselves.

SDMIMD is promoted by Shri Dharmasthala Manjunatheshwara Educational Trust. Under the inspiring leadership of our Chairman, Dr.D.Veerendra Heggade, the trust has played an active role in empowering people and bettering the lives of communities in Southern Karnataka.

Director's Message

Dear Student Aspirant,

SDMIMD is part of the Sri Dharmasthala Trust, a philanthropic organisation involved mainly in rural development, social and health services, and is known for several innovative initiatives to help uplift the society. SDMIMD, for the last 32 years has adhered to its cherished Values and Mission of creating young leaders who are globally aware and rooted in the Indian value systems.

In 2025-26, SDMIMD achieved a major milestone of the successful renewal of its PGDM Accreditation for 5 years by the European Agency, the EFMD and Business School Impact System (BSIS) for 3 years. In addition, SDMIMD saw a record campus placement for the outgoing batch of 2026 in the relatively difficult placement environment experienced by other B schools. Average salaries also have increased gradually. Representation by states other than Karnataka in terms of student admissions for the PGDM Batch 2025-26 and 2026-28 have seen a marked increase.

SDMIMD students perhaps have one of the best AI enabled classroom and learning ecosystem that is well adjusted to the new learning environment. SDMIMD is a vibrant Campus with frequent and engaging student activities with great opportunities to showcase your talents and make a mark in the form of art, culture, oratory, sports and hobbies.

We look forward to welcome you to the award winning SDMIMD Campus and engage with us in the coming years.

Dr. (Lt Col) Prasad SN

Director-SDMIMD

Our Vision

SDMIMD will be internationally recognised as a unique institution that has pioneered a philosophy of management education and governance that is Indian in ethos and character and global in relevance.

Our Mission

SDMIMD will create inspirational business leaders and entrepreneurs who will relentlessly pursue individual and organisational excellence with creative tenacity, intellectual maturity, and social responsibility.

SDMIMD will advance management thinking and practices that draw upon the best of Indian wisdom, are successful in dealing with change and effective and inclusive in value creation for the individual and society.

Our Credos

We believe that:

- Ethics and values are an integral part of cutting-edge competitiveness
- Honesty and integrity are non-negotiable
- Hard work and learning can and should be enjoyable
- Passion, commitment, and the single-minded pursuit of excellence will make true leaders of us all

SDMIMD Promises

To students :

We will nurture, support, and inspire you to realise your full potential as a Successful leader

To organisations:

We will continually provide highly competent, motivated and committed talent with a yen for creativity and innovation

To society:

We will promote individual and corporate responsibility towards all segments of society aiming for dynamic and inclusive growth

To employees:

We will provide an environment for development that will enable you to achieve personal satisfaction, professional recognition, and an enhanced quality of life

THE INSTITUTE

Established in 1993, SDM Institute for Management Development (SDMIMD), Mysuru, is a leading business school dedicated to nurturing ethical, competent, and socially responsible leaders. Promoted by the Shri Dharmasthala Manjunatheshwara Educational Trust under the visionary leadership of Dr. D. Veerendra Heggade, SDMIMD combines academic excellence with a strong foundation of values and service.

Its flagship two-year residential PGDM program is AICTE-approved, NBA-accredited, AIU-recognized as MBA-equivalent, and internationally accredited by EFMD. As a member of AACSB and a recipient of the EFMD-BIS Certification and QS I-GAUGE Diamond Rating, SDMIMD stands among globally respected institutions.

With international partnerships across 13+ universities, accomplished faculty, industry-aligned curriculum, and experiential learning opportunities, students gain the knowledge, skills, and global perspective needed to excel in a dynamic business world.

Backed by a strong placement record and enduring corporate relationships, SDMIMD graduates are valued for their competence, character, and leadership potential.

At SDMIMD, education is not just about building careers—it is about shaping leaders who create lasting impact.

INITIATIVES

Artificial Intelligence Supported Teaching Learning System

SDM Institute for Management Development has initiated the Artificial Intelligence driven teaching learning process recently. This is to integrate the contemporary technological advancements to support the students and faculties.

Generative Artificial Intelligence (Gen AI) driven by large language models (LLM) are used to facilitate the following aspects as of now,

- Lecture capturing system which generates transcripts in the form of notes and summary to facilitate students and improve lecture attention.
- Automated question generations as question banks to facilitate faculty course evaluation through multiple choice questions generated based on prescribed difficulty levels.
- Automated test conduct and evaluation to facilitate the faculty on continuous course evaluation through module level tests.
- Topical resource support to faculty with contemporary content relevant to the topic of the class session.

SDMIMD and Infosys MoU for Springboard Platform

SDMIMD has entered into a Memorandum of Understanding (MoU) Infosys Ltd. which will enable SDMIMD to have a string of supplementary offerings for the benefit of students. There are many courses onboarded on the platform for the SDMIMD's ESG Modular Specialization and the seminar courses designed for the flagship program - Post Graduate Diploma in Management (PGDM). Following are the courses which SDMIMD students will opt for.

- Global Environmental Management
- Introduction to Sustainability
- Circular Economy - Sustainable materials management
- Cities & Consumption: Urban Sustainability
- Environmental Management & Ethics
- Introduction to Environment Law

ESG - The new initiative for PGDM

The flagship program of the Institute being the two-year full-time residential PGDM (Post Graduate Diploma in Management) program has incorporated the ethical and value-based components in all the courses wherever possible to inculcate the ethical orientation among students who eventually become the drivers and captains of the industry after passing out in the near future.

In line with the movement to align with the Sustainable Development Goals (SDGs) announced by the UN, and the prominence being given to the Environmental-Social-Governance (ESG) dimensions, SDMIMD will be offering a modular specialization and certification for students to study ESG-related courses in addition to their chosen PGDM specialization. The Institute has planned several activities in this regard including MDPs, conferences, and conclaves.

In summary, this initiative on the ESG in several associate ways is focused at,

- Enhanced value creation for the student in terms of knowledge, openings for analysis, synthesis and creativity
- Enhanced opportunities for esteemed employers who value the ESG focus to employ our students certified with ESG courses

ACCREDITATIONS

EFMD Program Accreditation - Renewed for 5 Years

Recognizing the quality of management education and Internationalization at SDMIMD the global accreditation body **European Foundation for Management Development (EFMD)** has reaccredited SDMIMD's flagship program–Post Graduate Diploma in Management (PGDM), for a further period of 5 years from 2026.

QS I Gauge

Recognizing the overall excellent practices at SDMIMD, **QS I Gauge**, the Indian wing of the global ranking agency QS, has rated us in the highest Diamond category. These rankings and accreditation are indication of our efforts towards total quality. These have certainly helped us in our visibility and consequently better acceptance by the corporate houses and admission-aspirants.

BSIS - Re-Certified

The Business School Impact System (BSIS) - Renewal SDMIMD has been re-awarded BSIS impact certification for period of a 3 years till 2029 based on quality work in the B-school.

NBA

The renewed three year accreditation for PGDM program upto 30 June 2027, by **National Board of Accreditation (NBA)** has continued to inspire us to maintain the best practice.

Ranked 6th among the Top Private B-Schools in the South Zone in leading national B-School rankings.

..... and Many More

INTERNATIONAL LINKAGES

Student exchange programs enable students to understand each other's countries, business practices and culture. This gives students an edge in seizing opportunities in global companies. SDMIMD has collaborated with eighteen high-profile, international management institutes and universities of repute for Faculty & Student Exchange Programs. Select SDMIMD students get opportunity to spend a term pursuing courses at these institutes. From the batch of 2025-27, 24 selected students did spend a term/semester at different institutes/universities with whom SDMIMD has collaborative arrangements.

INTERNATIONAL STUDENT EXCHANGE PROGRAM

The Student Exchange Program offers participants an immersive international learning experience. They equip students to thrive in an increasingly interconnected world. Working on live projects and case studies alongside peers from diverse nationalities and cultures offers students a truly global learning experience. These collaborations foster cross-cultural competence, broaden perspectives, and prepare students for international careers. To ensure seamless academic integration, credits and grades earned during the exchange are incorporated into the final SDMIMD transcript. Reflecting the growing strength of this initiative, 24 students from the PGDM 2025-27 batch did complete their studies at partner institutions across the globe.

FOREIGN STUDENT IMMERSION PROGRAM

Foreign Student Immersion Programs are open to all students. Several week long student immersion programs in partnership with reputed and accredited B-schools in Malaysia and Srilanka are planned for academic 2027.

THE CAMPUS

Nestled at the foothills of the majestic Chamundi Hills in the heritage city of Mysuru, SDMIMD offers a learning environment that is as inspiring as it is serene. Located just 140 kilometers from Bengaluru, the campus seamlessly blends contemporary infrastructure with timeless architectural elegance, creating a space where tradition and modernity coexist harmoniously. Lush green courtyards, tree-lined pathways, vibrant gardens, and the melodious chorus of birds create a tranquil atmosphere that welcomes every visitor. Designed to foster reflection, creativity, and intellectual growth, the campus provides an ideal setting for aspiring managers to learn, innovate, and excel. Recognized with several prestigious awards for its architecture and landscape design, the SDMIMD campus is more than just a place of learning—it is a living ecosystem that nurtures curiosity, leadership, and holistic development amid nature's abundance.

Library

The SDMIMD Library is a state-of-the-art knowledge resource centre that supports learning, research, and academic excellence. It houses a rich collection of over 16,000 books and provides access to more than 1,400 national and international journals, along with leading business and financial databases. The library offers a wide range of print and digital resources, including e-books, e-journals, case studies, reports, conference proceedings, and audiovisual materials. A distinctive feature is its seamless access to Harvard Business School Publishing resources, enabling students and faculty to engage with globally acclaimed case studies and contemporary management insights.

The Post Graduate Diploma in Management programme at SDMIMD is a rigorous two-year, six-term journey designed to develop future-ready leaders. The curriculum is reviewed and enriched annually, drawing on global best practices from leading business schools while staying aligned with evolving industry needs.

Blending contemporary business insights, industry-driven learning, and real-world case studies, the programme offers a dynamic and immersive learning experience. Supported by world-class infrastructure and a vibrant academic environment, students gain the knowledge, skills, and perspectives needed to excel in today's competitive business landscape.

The programme emphasizes academic excellence, critical thinking, ethical leadership, and holistic development, inspiring students to lead with competence, confidence, and purpose.

In the second year, students may specialize in Marketing, Finance, Systems, Operations, or Human Resource Management, with the flexibility to pursue dual specialization. Those seeking a broader perspective may choose a general management pathway, selecting electives across disciplines while fulfilling the required 33 credits.

In their second year, students can opt to specialize in the areas of General Management, Marketing, Systems, Finance, Operations, or Human Resource Management. Students have the option of dual specialization. Students can also decide to be a generalist and not specialize in any area and instead opt for courses from various streams to make up the required minimum of 33 credits.

The Institute has student exchange programs with thirteen international management institutions/Universities. Students for these exchange programs are chosen based on their academic performance and by a comprehensive interview process.

PGDM QUALITY MODEL

ACADEMIC CALENDAR FOR THE YEAR 2027-29

Term 01 July to September 2027	Term 02 October to December 2027	Term 03 January to March 2028

MYSURU, INDIA

The city of Mysuru is the cultural capital of the state of Karnataka. The city is known for its majestic, mystical and mesmerizing beauty. Located 770m above sea level and 140 kms from Bangalore. Also known as the City of Palaces, Mysuru retains a quaint charm that never fails to enchant. From ancient times, this district has played a significant role in the history of South India. Mysuru District is a popular tourist destination offering several attractions ranging from the royal splendour of Mysuru City and its fabulous Dasara Festival to exquisite temples, pilgrimage centres and scenic spots. Mysuru is ranked the fifth-best city in India in which to conduct business and the second-cleanest city in India. Mysuru has emerged as the hub of the tourism industry in Karnataka, attracting about 2.5 million tourists every year. Some of the places of interest in the city are Mysuru Palace, Krishna Raja Sagara, Jaganmohan Art Gallery, Brindavan Gardens, Lalitha Mahal, Chamundi Hills, Mysuru Zoo, Folk Lore Museum and many more. Traditionally, Mysuru has been home to industries such as weaving, sandalwood carving, bronzework, and the production of lime and salt. The planned industrial growth of the city has led to the establishment of many industries and also projected as alternative IT hub for Bangalore.

Connectivity

Mysuru is well connected with trains from all major cities. From Bangalore to Mysuru, there is a train running every hour. It is also well connected through express highway. Every five minutes, luxury buses run between Mysuru and Bangalore. Also Mysuru is connect to Hyderabad, Chennai and Cochin directly through flight.
